### Island Flame By Karen Robards

Dear Reader,

It is difficult for an author to choose a favorite from among her own books, especially when she has been lucky enough—as I have—to make a career out of doing what she loves. But some stories are memorable because they mark an important milestone in an author’s life, and for me, perhaps none is more special than *Island Flame*—my very first book. I was thrilled when it was published, and now, more than thirty years later, I am just as excited to share it again with you.

*Island Flame* is a classic tale of romance on the high seas, featuring two extraordinary characters: the headstrong Lady Catherine Aldley and the legendary pirate Jonathan Hale. I don’t have to tell you that their tumultuous escapade sizzles with passion (*lots* of passion!), but what I hope you will take away most from Cathy and Jonathan is that dreams do come true—in love and in life. Mine did, and I hope yours will too.

I look forward to sharing many more adventures together in the future.

Enjoy!

From the Inside Flap

Bestselling, award-winning author Karen Robards brings to life two extraordinary characters--an aristocratic beauty and a notorious pirate--in a love story that sizzles with passionate adventure and unbridled desire. . . .

Lady Catherine Aldley was en route to London when pirates attacked her ship. Just in time, Captain Jonathan Hale rescued her from his own men, sweeping her into his arms, staking his claim on the pampered daughter of England's ambassador to Portugal. All Catherine had were her wits and the will to beat her captor at his own game. His searing kisses kindled unfamiliar passions, but she vowed to make him her prisoner of desire. . . .

He was a legendary pirate, daring, triumphant, free. Jonathan Hale never took captives and always escaped--until he saw the headstrong beauty he couldn't leave behind. She was fire and ice, a lady outraged, a tigress in his arms. Cathy refused to be treated like chattel, yet yielded to his sensual invasion as she conquered his body and soul. She made loving truly dangerous, exposing his deepest fears--and his mutinous heart. . . .
