Marriage, Divorce, and Remarriage in the Bible By Jay E. Adams

If the church is going to use the Bible to decide whether divorce is legitimate in certain cases and whether divorced couples have the right to remarry with the approval and blessing of God's people, then the Bible must be studied without prejudice toward a particular answer. The author examines the relevant passages in both the Old and New Testaments so that his readers can consider the many issues and interpretations that arise in trying to establish a consistently biblical position. As a result, readers can see more clearly and accept more firmly the truth of Scripture. The book succeeds at being exactly what the author wanted it to be: "a comprehensive, lucid, accurate study presented in a readable and practical style. . . ." It is a valuable resource for the pastor, counselor, church leader, and others who are struggling to understand and apply scriptural principles to the problems of divorce and remarriage.

Editorial Review

From the Publisher

This is the book that many pastors, counselors, and theologians consider to be the most biblical and the most helpful on the issue of marriage and divorce. If the church is going to use the Bible to decide whether divorce is legitimate in certain cases and whether divorced people have the right to remarry with the approval and blessing of God's people, then the Bible must be studied without prejudice toward a particular answer.

The author examines the relevant passages in both the Old and New Testaments so that his readers can consider the many issues and interpretations that arise in trying to establish a consistently biblical position. As a result, readers can see more clearly and accept more firmly the truth of Scripture.

The book succeeds at being exactly what the author wanted it to be: "a comprehensive, lucid, accurate study presented in a readable and practical style." It is a valuable resource for the pastor, the counselor, and the church leader, as well as other individuals who are struggling to understand and apply scriptural principles to the problems of divorce and remarriage.

From the Author

Dr. Jay E. Adams is Director of Advanced Studies and Professor of Practical Theology at Westminster Theological Seminary in Escondido, California. He received his B.A. from Johns Hopkins University, his B.D. from the Reformed Episcopal Theological Seminary, his S.T.M. from Temple University, and his Ph.D. from the University of Missouri. In addition to having served as a pastor and then a Professor of Practical Theology at Westminster Theological Seminary in Philadelphia, Dr. Adams has been the Dean of the Christian Counseling and Educational Foundation, Laverock, Pennsylvania, since its founding in the early 1970s. He has written over fifty books, translated the New Testament into English (The Christian Counselor's New Testament), and lectured throughout the world. His books deal with many aspects of pastoral ministry and counseling as well as Bible study and practical Christian living

From the Back Cover

If the church is going to use the Bible to decide whether divorce is legitimate in certain cases and whether divorced couples have the right to remarry with the approval and blessing of God's people, then the Bible must be studied without prejudice toward a particular answer. The author examines the relevant passages in both the Old and New Testaments so that his readers can consider the many issues and interpretations that arise in trying to establish a consistently biblical position. As a result, readers can see more clearly and accept more firmly the truth of Scripture. The book succeeds at being exactly what the author wanted it to be: 'a comprehensive, lucid, accurate study presented in a readable and practical style. . . .' It is a valuable resource for the pastor, counselor, church leader, and others who are struggling to understand and apply scriptural principles to the problems of divorce and remarriage.

Users Review
