Starred Review When in doubt, seek out an expert. As a scientist, Philippa Marbury knows the value of consulting with an authority, so when Pippa needs a man skilled in the art of seduction, she tracks down England's most infamous rake: Mr. Cross. In two weeks, Pippa is scheduled to wed Lord Castleton, and she would like to learn more about what she can expect from her husband-to-be after the ceremony. Unfortunately for Pippa, Cross, part-owner of London's most exclusive gaming hall, not only is unwilling to share his legendary "skills" with Pippa; he also makes her promise him that she will not seek out similar advice from any other man. Of course, as a good scientist Pippa knows there is a time to play by the rules, and then there are times you just have to break them. With her usual clever writing style, superb flair for historical detail, and gift for subtle characterization, MacLean constructs the second scintillating installment in her Rule of Scoundrels series (*A Rogue by Any Other Name*, 2012). Completely captivating and exquisitely sensual, this is a tour de force of wit and romance. --John Charles

Review

Maclean seamlessly moves from the first novel in her Rules of Scoundrels series to the second. The same great chemistry, intelligence and sparkling humour shine, and the added sexual tension provided by lessons in temptation provides readers with a delectable read. Pure, unadulterated MacLean! RT Book Reviews
McLean's second Rule of Scoundrels novel is a clever, original historical romance with compelling main characters who are so engaging and enchantingly well-matched you simply don't want to see their stories end. Cross is a fallen-angel archetype with a damaged, guilt-ridden past, but it is the delightful, captivating Pippa whom readers will fall in love with and root for, and readers will love Cross just a little bit more because he does, too. At moments heart-wrenching, at moments comedic, at all times entertaining and satisfying, this book deserves a read if you're a romance fan. Kirkus

From the Author

I cannot wait for you to see Cross & Pippa's story unfold-and I've saved one nugget of information for here, on my own blog, to thank you for coming over and joining me this week!

Here's the thing: Pippa was never supposed to be a heroine.

She was supposed to be a sweet side character in *A Rogue By Any Other Name* -- the odd younger sister who ends up married because that's what happens to odd younger sisters. And Cross was supposed to (get this!) marry a lady doctor. I had plans for him that involved neither ruination of engaged aristocratic misses nor falling head over heels for strange bespectacled beauties.

Not to mention the fact that Temple's book was supposed to come first.

I've never been one of those writers who has characters who speak to her. I am lord and deity over my books. I tell my heroes to do stuff and they do them, for heaven's sake. But...for some reason, for this book, I wasn't in charge. They were. To be more specific, Pippa was. She wanted her time in Cross's office and she wanted to know what she was missing out on, and she wanted...well...him. And she shocked me just as much as she shocked Cross, honestly.

Suffice to say, she may not be my favorite heroine...and he may not be my favorite hero...but together they are absolutely my favorite couple. And I cannot wait for you to meet them.
