Social Work Contexts and Practice By Marie Connolly, Louise Harms

Building on the strengths of the popular first edition, *Social Work: Context and Practice* is the most comprehensive text of its kind: encompassing the theory and practice of social work in both Australia and New Zealand. A variety of social work environments are explored with the fields of the practice covered, including: working with the elderly, child protection, mental health and drugs and alcohol, and community development. With an emphasis on cultural practice and field skill development, this text will be useful throughout students' entire education and into their professional lives.

New Edition Highlights:

- New Australian co-editor and contributors add a wealth of experience from both educators and practitioners within Australia and New Zealand
- Reflective practice questions and issues throughout teach students to review their own performance and to learn from personal experience

Pamela Acuna:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Social Work Contexts and Practice can make you truly feel more interested to read.
