Heroes Among Us: Firsthand Accounts of Combat From America's Most Decorated Warriors in Iraq and Afghanistan From Caliber

More than one million Americans have served in Iraq and Afghanistan, but fewer than 500 from this group have earned a Silver Star, Navy Cross, Air Force Cross, Distinguished Service Cross, or the Medal of Honor. These Americans have demonstrated extraordinary courage under fire?in the worst of circumstances. They come from all branches of the military. They also come from all over the country and all walks of life, representing the entire spectrum of races and creeds.

But what unites them are their deeds of consummate bravery, beyond the call of duty. *Heroes Among Us* tells these extraordinary true stories of valor, honor and sacrifice.

Editorial Review

Review

"However any of us feel about the politics of the war in Iraq, we must always honor the men and women who have volunteered for this difficult, dangerous duty. Chuck Larson has given us an inspirational and memorable collection of the personal lives and heroics of these brave young Americans. These are stories to be remembered and cherished." - Tom Brokaw "Here are the voices that need to be heard...those of the men and women on the ground in the war on terror. They are courageous, humane, and gripping. Above all, they are truthful. If you want to understand this war and understand those who are fighting it, you must read this book." - Sean Hannity "This book is an extraordinary testimonial to both heroism and humanity. These accounts are powerful reminders of why Americans in uniform deserve our respect, our support, and our gratitude." - Senator Joe Lieberman "During my time in the military, what I found most inspiring as well as most humbling is the courage and bravery exemplified by our men and women on the front line. They define honor and sacrifice; our nation is forever indebted to their souls. The stories, chronicled with unflinching honesty, capture their experience. "Heroes Among Us" transcends politics and ideology and will inspire us all." - General Richard Myers, former Chairman, Joint Chiefs of Staff ""Heroes Among Us" reminds us that many of our troops want to be in this fight. They believe in the mission, they believe in their country, and they believe in each other." - Laura Ingraham, talk radio host and author "On September 11th, my son, Todd, and the other passengers and crew of United Flight 93 launched the first counterattack in our homeland...On that day, "Let's roll" became a rallying cry across our nation. This spirit lives on today through the men and women who continue the fight in Iraq and Afghanistan. Chuck's account of their stories helps us to document their valor for generations to come." - Mr. David Beamer

These stories of combat and heroism recall incidents of gallantry, valor, and bravery in the face of death as displayed by members of the United States Armed Forces at war in both Iraq and Afghanistan. Among the

incidents recalled: Five Kentucky National Guardsmen who, although outnumbered ten to one, routed their foe; the Special Forces defeat of the Taliban in the winter of 2001; and the story of the young Marine who gave his life to protect his buddies from a grenade. Lloyd James superbly performs these tales. With an understated delivery he credibly affects various regional accents, along with the pauses and mannerisms one would use in conversation. All this makes the entire production something that is very personal. M.T.F. © AudioFile 2009, Portland, Maine
