Luther: The Calling By Neil Cross

A brilliant standalone novel hailed as “some of the best crime fiction to hit bookstores this year” (*Hollywood Reporter*) and a prequel to the hit BBC America TV show *Luther*, by the Edgar Award–winning creator and sole writer of the show.

Is Luther a force for good or a man hell-bent on self-destruction?

Meet Detective Chief Inspector John Luther. He’s a homicide detective with an extraordinary case-clearance rate. He’s obsessive, instinctive, and intense. Nobody who ever stood at his side has a bad word to say about him. And yet there are rumors that Luther is bad—not corrupt, but tormented. After years of chasing the most depraved criminals in London’s gritty underworld, he seethes with a hidden fury he can barely control, making him do things any other detective wouldn’t and shouldn’t do.

Luther: The Calling is the story of the serial killer case that tore Luther’s personal and professional relationships apart and propelled him over the precipice—beyond fury, beyond vengeance, all the way to the other side of the law.

Luther: The Calling, the first in a new series of novels featuring DCI John Luther, takes us into Luther’s past and into his mind. It is the story of the serial killer case that tore his personal and professional relationships apart and propelled him over the precipice—beyond fury, beyond vengeance, all the way to the other side of the law. Is Luther a force for good or a man hell-bent on self-destruction? Edgar Award–winning writer Neil Cross has created one of the most compelling characters in modern crime fiction. *Luther: The Calling* is a compulsively readable novel by the writer hailed by *The Guardian* as “Britain’s own Stephen King.”

Recommend this for the amazing force and power of the writing and the hell-for-leather plotting that together pull readers along whether they like it or not. They may not, at least if they don't have the stomach for graphic violence. London police detective John Luther has the marks of the modern detective hero: he's tormented by the suffering in the world and eager to pound the bloody daylight out of anyone who helps cause it. His off-duty life is a mess, mainly because his wife is cuckolding him. Meanwhile, back at the office, he and his colleagues are after a sicko who so wants a baby that he murders a young couple and tears the child out of the dead mother's womb. As the hunt leads them through this slime pit, we witness still more unspeakable scenes. An old man is beaten by toughs. A little dog is killed when its spine is snapped. We're complicit, then, when Luther visits punishment on these creeps. This may cross the line for some readers. Others will be cheering Luther on. --Don Crinklaw
