Pattern Making (Portfolio Skills) By Dennic Chunman Lo

An introduction to the basic principles of pattern cutting, this practical book shows students how to interpret the human form and look at clothing through the eyes of a designer rather than a consumer. As well as explaining the proportions of human anatomy, the book introduces key tools and then takes the reader from simple pattern-cutting ideas to more advanced creative methods. Finally, the book looks at the work of fashion designers who are masters of pattern cutting, such as Comme des Garçons, John Galliano, Yohji Yamamoto and Issey Miyake. With photographs of final and dissected garments, along with CAD/CAM diagrams to explain how those pieces were cut, the book will gradually build an understanding of pattern cutting, and enable students to experiment and create exciting patterns for their own designs.

Users Review

From reader reviews:

Theodore May:

What do you think of book? It is just for students as they are still students or this for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book Pattern Making (Portfolio Skills). All type of book could you see on many methods. You can look for the internet sources or other social media.

David Mathews:

Here thing why this Pattern Making (Portfolio Skills) are different and trusted to be yours. First of all looking at a book is good but it depends in the content of computer which is the content is as delightful as food or not. Pattern Making (Portfolio Skills) giving you information deeper and in different ways, you can find any book out there but there is no e-book that similar with Pattern Making (Portfolio Skills). It gives you thrill reading journey, its open up your eyes about the thing which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Pattern Making (Portfolio Skills) in e-book can be your alternate.

Clement Williams:

The book Pattern Making (Portfolio Skills) will bring one to the new experience of reading a new book. The author style to spell out the idea is very unique. When you try to find new book you just read, this book very suitable to you. The book Pattern Making (Portfolio Skills) is much recommended to you to see. You can also get the e-book from your official web site, so you can quicker to read the book.

Mathew Casillas:

This Pattern Making (Portfolio Skills) is great book for you because the content which is full of information for you who else always deal with world and have to make decision every minute. This specific book reveal it information accurately using great plan word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward

sentences but challenging core information with wonderful delivering sentences. Having Pattern Making (Portfolio Skills) in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen second right but this book already do that. So , this is good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?
