States at War, Volume 5: A Reference Guide for Ohio in the Civil War From UPNE

While many Civil War reference books exist, there is no single compendium that contains important details about the combatant states (and territories) that Civil War researchers can readily access for their work. People looking for information about the organizations, activities, economies, demographics, and prominent personalities of Civil War States and state governments must assemble data from a variety of sources, with many key sources remaining unavailable online.

This crucial reference book, the fifth in the States at War series, provides vital information on the organization, activities, economies, demographics, and prominent personalities of Ohio during the Civil War. Its principal sources include the Official Records, state adjutant-general reports, legislative journals, state and federal legislation, federal and state executive speeches and proclamations, and the general and special orders issued by the military authorities of both governments, North and South.

Designed and organized for easy use by professional historians and amateurs, this book can be read in two ways: by individual state, with each chapter offering a stand-alone history of an individual state's war years; or across states, comparing reactions to the same event or solutions to the same problems.

Hardcover is un-jacketed.

Users Review

From reader reviews:

Maureen Harris:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question mainly because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of *States at War, Volume 5: A Reference Guide for Ohio in the Civil War* to read.

Teresa Burns:

Nowadays reading books be than want or need but also be a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The information you get based on what kind of book you read, if you want have more knowledge just go with knowledge books but if you want sense happy read one together with theme for entertaining including comic or novel. *The States at War, Volume 5: A Reference Guide for Ohio in the Civil War* is kind of book which is giving the reader unpredictable experience.

Mathew Holstein:

A lot of people always spent their particular free time to vacation or perhaps go to the outside with them family members or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun for you personally. If you enjoy the book which you read you can spent the whole day to reading a book. The book *States at War, Volume 5: A Reference Guide for Ohio in the Civil War* it is quite good to read. There are a lot of people who recommended this book. These were enjoying reading this book. If you did not have enough space to bring this book you can buy the e-book. You can m0ore simply to read this book from the smart phone. The price is not to cover but this book features high quality.

Jessica Harris:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this States at War, Volume 5: A Reference Guide for Ohio in the Civil War can make you feel more interested to read.
