**The Land Between: A History of Slovenia** From Peter Lang GmbH,  
Internationaler Verlag der Wissenschaften

This is a history of a space – a space between the Panonian plain in the East and the most northernmost bay in the Adriatic in the West, from the eastern Alps in the North and the Dinaridic mountain area in the South. It is also a history of all the different people who lived in this area. The authors show that the Slavs did not settle an empty space and simply replace the Celto-Roman inhabitants of earlier times; they are, on the contrary, presented as the result of reciprocal acculturation. The authors show that the Slovenes made more than two important appearances throughout the entire feudal era; the same holds for later periods, especially for the twentieth century. This book offers a concise and complete history of an area that finally became an integral part of Central Europe and the Balkans.

## **Editorial Review**

### Review

«A study which makes the reader feel and understand that since the end of the Cold War there is a new lease of life for Central Europe. The former borderlands between East and West construct their new identities. Slovenia is one of the most successful new democratic societies in the middle of Europe. This book is an excellent history of Slovenia which maps the narrative of a small European people without falling into the traps of national mythmaking. Writing about a small European country with two million inhabitants which crave for Central European, Mediterranean and Balkan traditions at the same time is no simple task. The book makes fine reading for everybody interested in understanding the fascinating and creative complexities in the heart of Europe. Highly recommendable for history lovers and historians alike!» (Emil Brix, historian and Director of the Politico-Cultural Section, Federal Ministry for European and International Affairs, Austria)

«‘The Land Between’ is the first concise history of Slovenia and Slovenes written in English by leading scholars from the country. The authors base their arguments on Slovenian, former Yugoslav and western sources and provide a comprehensive account of Slovenes’ political, social, economic and cultural history, from early Slav settlements to the present day. The authors focus on Slovenian history but, to their credit, manage to place it in a wider context of empires and states to which Slovenian lands had belonged throughout history. The book will be of use to students of Slovenia and East-Central Europe, to diplomats, journalists, tourists, and anyone interested in this part of the world. It represents a welcome addition to the historiography of Slovenia and former Yugoslavia as well as a unique insight into the state of scholarship in post-1991 Slovenia.» (Dejan Djokic, Lecturer in Modern and Contemporary History, Goldsmiths College, UK)

### About the Author

Oto Luthar is Director of the Research Centre of the Slovenian Academy of Sciences and Arts and Professor of Cultural History at the University of Nova Gorica (Slovenia). He was Visiting Professor at Yale University and at Vienna University. His research focuses on cultural history of Central and South-Central Europe, history of historiography and history of ideas.

## **Users Review**

### **From reader reviews:**

#### **Kimberly Williams:**

What do you concentrate on book? It is just for students because they're still students or the idea for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great in addition to important the book *The Land Between: A History of Slovenia*. All type of book would you see on many options. You can look for the internet options or other social media.

**Keiko Whitchurch:**

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is inside the former life are challenging be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take *The Land Between: A History of Slovenia* as your daily resource information.

**Maria Smith:**

The reason? Because this *The Land Between: A History of Slovenia* is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret this inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

**Alfred Leahy:**

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, after that why you don't try thing that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love *The Land Between: A History of Slovenia*, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout folks. What? Still don't buy it, oh come on its known as reading friends.
