The Sheikh's Angry Bride (The War, Love, and Harmony Series) (Volume 4)

By Elizabeth Lennox

Duty. Responsibility. Those were the priorities of Layla's upbringing. So when her father announced that she is to marry the Sheikh of Lurasa, she accepted her duty and steeled her heart to a loveless life of obligation. What she refused to accept was Garon's intense effect on her. The man wasn't what she anticipated! And he wouldn't conform to her plans or expectations. This was an arranged marriage! They had appearances to maintain, duties to adhere to. Why were these crazy feelings flying between them every time he touched her? Garon entered into the marriage expecting only to be faithful to his wife and to the agreement he had made with the other sheiks. What he wasn't expecting was a fiery beauty that set his senses on fire or the intense need to have her. Responsibility be damned, this woman was his! And he was going to teach her about living and loving.

Editorial Review

About the Author

Elizabeth Lennox writes contemporary romance novels featuring sheiks, business tycoons, royalty, and other sexy rich men. Her male lead characters are smart, driven and determined, but can still be sensitive and vulnerable. Elizabeth's female lead characters come from a variety of backgrounds. They are strong, intelligent and independent, while still feminine and caring. Although she wanted to be a romance novelist since the eighth grade, that dream only became a (paid) reality for her in 2009 and a full time job in 2012. Along the way, she received a BS in History and held different jobs in the real estate, government consulting, and financial industries. All during that time, though, she was always writing, using her personal experiences, dreams, and travels throughout the United States, Europe and the Caribbean as backdrops for her stories. To date, she has written over seventy books and sold over one million copies. Her free novellas have been downloaded over 2.2 million times since 2013. Elizabeth lives in Virginia with her husband and two children. Their home is just outside of Washington, D.C., and many of her novels are set in this area.
